*Dear Ms Jane Chen:*

*We wanted to thank you for your professionalism and understanding in the sale of our home. We interviewed many Realtors prior to hiring you. We feel that the selection of your real estate firm helped us sell our house for the best price in a timely manner. You were most helpful and you treated our sale with the utmost professionalism. You showed our house numerous times and we feel that it was a great compliment to your advertising. We were happy with our exposure through your website, local newspaper, and various real estate publications. We also feel that your exclusive warranty helped the buyer of our home feel more at ease with the purchase. In summation, we are very happy with the service you provided and look forward to possible future endeavors.*
